The results in this report are a professional opinion of the descriptive characteristics of the examined item and were obtained using techniques and equipment available to the Bahrain Institute for Pearls and Gemstones (DANAT) at the time of examination. The grading results refer only to the item described and are based on human evaluation. No assurance is given that the same item would receive the same report under re-examination. This report is not a guarantee, valuation, warranty, obligation or investment recommendation. DANAT's total liability shall not exceed the total price of this report. Reports are specific to the item to which they refer and are embedded with security features to prevent forgery, tampering and duplicate. Reports are issued subject to DANAT's Laboratory Services Terms & Conditions.
