Additional Notes

- All items submitted are subject to quotation prior to examination.
- Testing of more than one gem type in a single item will be priced according to the testing price of each of the tested gems types.
- All mounted items are subject to a surcharge of **30% of the applicable fee**.
- Pearls identified as baroque shape are subject to a **discount of 30% of the applicable fee** for Identification Reports only. Discount only applicable to Strands and Necklaces.
- Pearls attached to the producing shell ("blister pearl") are priced at **BHD 24.750 per shell**.
- Items that require optional advanced testing (CT-Scan) are subject to **50% of the testing fee applicable to the individual gem that requires advanced testing**.
- Micro Summary Report** is available as a supplemental service to the Identification Report. This service is only for items that have an Identification Report. **BHD 11** per Micro Summary Report.
- Re-submission Service** is available where clients require a new report due to a change in the configuration of previously tested items. All re-submitted items must be reconciled with the original submission. A re-submission is priced at **50% of the applicable fee**.
- Duplicate Report Service** is a copy of the original report and not a re-examination. Duplicate reports are issued with a "DUPLICATE" watermark and subject to terms and conditions.
 - Duplicate Identification Report – **BHD 11.000**
 - Duplicate Micro-Card Report – **BHD 5.500**
- Express Service** expedites the testing of items, subject to availability.
 - 24 hours - **500% of the applicable fee**.
 - 72 hours - **100% of the applicable fee**.
- Off-Premises Testing Service** available upon request and subject to terms and conditions.
- Insured Logistics Service** available for Bahrain and priced **BHD 4.400 per trip**, subject to terms and conditions.
- Supreme Report** for qualifying items with prices starting at **BHD 550.000**.
- Premium Report** for qualifying items with prices starting at **BHD 1,650.000**.
- Image+ service** is available for items tested by DANAT.
 - High-resolution digital image (same as in report) – **BHD 11.000 per image**.
 - New high-resolution digital image (white background) – **BHD 22.000 per image**.
- DANAT management reserves the right to amend the pricelist in special cases.

International Transportation

All costs associated with international transportation to and from DANAT are met by the client. If arranged by DANAT, the client is charged accordingly.

Cancellation

A DANAT service may be cancelled in the following instances and subject to cancellation fees:

Prior to examination	No charge
Commencement of examination	50% of the applicable fee
Completion of examination	100% of the applicable fee

The upgrade of a report type is available after submission at the prevailing applicable fee.

All items submitted are subject to DANAT's Laboratory Service Terms and Conditions.
